

have all been willing to at least make concessions so that we can make progress. Senator DASCHLE and I appreciate that. The consent we will ask would provide for two amendments to be brought up in the morning, and it would be the Gordon Smith/Jeffords amendment, followed by the Lautenberg amendment, with a vote on both of those at 10:30. The pending business is still the Harkin amendment, but we would intend at that time to go to the supplemental bill. We are going to try to get a 2-hour time agreement on that. When that is over, we will be back where we stood with the Frist-Ashcroft amendment. That summarizes the agreement.

Mr. President, I ask unanimous consent that with respect to the Gordon Smith/Jeffords amendment there be 60 minutes for debate, equally divided in the usual form on the Gordon Smith amendment and amendment No. 362, the Lautenberg amendment, to run concurrently beginning at 9:30 a.m. Thursday, and all other provisions of the consent agreement of May 14 remain in place and the amendment be laid down tonight prior to the close of Senate business.

I further ask consent that the vote occur on the Gordon Smith-Jeffords amendment just prior to the vote on amendment 362, under the same time restraints and provisions as provided above.

I further ask that the Senate resume amendment No. 355 immediately following the disposition of amendment No. 362.

Mr. LEAHY. Mr. President, reserving the right to object, and I shall not object. That is with the understanding that the Senator from Iowa is represented under the same circumstances as when we broke off, is that correct?

Mr. LOTT. He still would have priority recognition under the agreement and under the procedures anyway, but also under the agreement that was included. Both sides of this issue don't want to lose their positions. But this will allow us to do these two amendments and to do the supplemental, and then that will be the pending issue. We know we have to find a way to get to a conclusion.

I want to emphasize now that we will do the supplemental after those first 2 votes.

Mr. REID. Reserving the right to object. Mr. Leader, would it be possible for the unanimous consent request to be amended to reflect that 15 minutes of the time on the Smith amendment be controlled by Senator SCHUMER, that he take 5 minutes of the 15 minutes, and then the remaining 10 minutes go to Senator LAUTENBERG?

Mr. LOTT. I think I got lost. Is it just a division of how the time would go on your side?

Mr. REID. Yes. One of our Members wanted to control 15 minutes. He is going to use 5 minutes of it and give the rest to Senator LAUTENBERG.

Mr. LOTT. Mr. President, I amend that UC request to that effect, based on

the assurance of the intent given by the distinguished Democratic whip. If it turns out that it is somehow or another not fair, we will revisit that tomorrow. I change the UC to include that request.

Mr. ASHCROFT. Reserving the right to object, and I don't intend to object, I want to indicate that this is about the fourth time we have displaced this amendment, which I have been working on in conjunction with Senator FRIST. This amendment has been the pending business since last Friday. This is not a novel amendment.

I just want to indicate that I intend to get a vote on this amendment. Votes have been taken on amendments on both sides. The right way to resolve any dispute on this amendment is to vote on it. I have been ready to vote on this amendment for quite some time. I think everyone on both sides of the aisle knows what the amendment is about.

I would just indicate that when this amendment comes back up I will persist in expecting the same courtesy that this body has accorded all other amendments to be accorded to this amendment, and I will work hard to make sure we have an opportunity to vote on it.

Mr. LOTT. Mr. President, I again express my appreciation to Senator ASHCROFT for his willingness to agree to this unanimous consent tonight. He is right. He, Senator FRIST, and Senator HARKIN have agreed to be put aside. I think it will be the fourth time we wouldn't have been able to get this agreement without their cooperation. I understand their determination on both sides of the issue. I appreciate the fact they were willing to agree to this.

Did we get an agreement?

The PRESIDING OFFICER. Is there objection?

Without objection, it is so ordered.
